**"Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain I Corinthians 15:58".**

Wow! What a year 2020 has been so far. We're so thankful the Lord has continued to help us be "steadfast, immovable, and always abounding in the work of the Lord!"

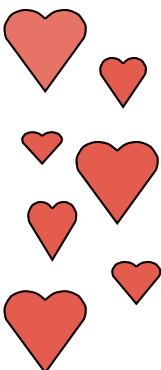

When Covid first hit in the spring we wondered what our ministry would look like and what we would be able to do with all the new regulations. We thought we would have to scale back our ministry, but the Lord had other plans. Below are the main highlights of the last few months:

- ~Food and hand sanitizer distribution, including food outreach by Tim Tebow foundation in which several officers and their kids were able to meet Tim and get pictures with him and their jerseys or footballs signed.
- ~Encourage and pray for officers who were afraid of getting covid or actually got it or who were fearful of the current attitude toward police.
- ~Work with an officer who was in a traumatic roll-over crash, in which the vehicle caught on fire, helping her to slowly get back on the road.
- ~Helped lead part of the search and rescue team for two foreign hikers, who barely spoke English, that got lost in the Navajo Reservation wilderness area. Thankfully they were found safe!
- ~Was able to witness to two convicted murderers after they started asking questions about what a chaplain was and why he was riding along with the officers.

**Please continue to pray for the health and safety of our officers and first responders here on the Navajo Reservation and all across the country.**

This summer all of our groups cancelled on us except one. They usually do kids' ministry when they're here, but Mark warned them that wouldn't be possible this year. We all prayed about what they could do considering all the restrictions. The answer—food distribution. They put out a call in their area for donations and received more than 2.5 TONS of food!! We're happy to report it was all given to needy families, along with the Gospel and lots of prayers.

**BONUS—The team also had people who knew plumbing. They fixed the plumbing issue dogging us since last winter. Praise the LORD!!!**
